

In addition to EMA requirements and guidelines for MERS tournaments (ERGMT), following rules are applied during tournaments, until further notice :

§1 players are only allowed to take part to a tournament if they can present an official document attesting that they are

- a. vaccinated against COVID-19 ;
- b. cured from COVID-19 ;
- c. medically exempted from vaccination.

§2 before starting each game turn players must sanitize their hands;

§3 during the game turns players must wear a mask (FFP2, or any another mask accepted in the country where they play) ;

§4 game sets must be sanitized at the end of the each day ;

§5 organizers and helpers are only allowed to the tournament if they respect §1 and wear a mask of the same type as described in §3.

§6 Organizers are allowed the adopt more restrictive rules, if requested by the laws of the country in which the tournament take seat.

§7 Presidium will publish present special ruling on EMA website.

§8 Present ruling enters in application on April the 1st 2022.

Adopted by the EMA Board on March the 31st 2022
