Place: Edewecht, Germany

Website or other source(s) of information: All information on the website of DMJL: <http://dmjl.de/> registration, program, list of participants,...

Participants: 32 players from Germany, Belgium, Spain and the Netherlands

Playing schedule: 1 day, 4 rounds of 100 minutes

Location: : Gasthof am Markt, Hauptstrasse 53, 26188 Edewecht. The venue has a large hall with enough space for the tables. There is also a good parking place

Equipment: We played with mahjongtables and MCR-tiles.

Refereeing: Nadine Konig was non-player referee.

Complaints: None.

Information / communication during the tournament:

Visible clock projected from a computer on the wall. A gong clearly informs players of the start and the end of sessions. Ranking up to date between each session also from a computer on the wall.

Sessions: Excellent playing atmosphere, FFF (Fair-play, Friendly and Fun).
The referee carefully checked whether all tables were ready to start.

Catering: Lunch in the same place. A warm buffet with tasty food. During the tournament there was coffee, tea and water for free and also lots of candy and cake.

Prizes: Trophies for individual ranking (1st, 2nd and 3rd) and three special prizes for little 3 dragons, 7 pairs and full flush.

Conclusion: Very nice tournament in Germany. It's a doppelturnier, which makes it possible to play two variants (MCR and Richi) in one weekend and that's very attractive.
