Equipment: We played with different games (different size of tiles) and tables.

Refereeing: Frédéric Chassot was non-player referee.

Complaints: Coffee doesn't taste well. Break time between session was too long. Next time for the optional dinner, it will be nice to explain how it works for foreigner players and maybe give a first plate little more full.

Information / communication during the tournament:

Visible clock projected from a computer on a screen.

At the beginning gong wasn't here but after the 3rd session they install it and it was clearly informs players of the start and the end of sessions.

Ranking up to date between each session and was projected.

Sessions: Excellent playing atmosphere, FFF (Fair-play, Friendly and Fun).

Catering: Snacks and drinks between rounds on both days at the playing venue. Breakfast on both days before the first round. Lunch in the same place (Asian caterer). Optional dinner (raclette) on Saturday evening at the playing venue with Karaoke.
