

Observer report for Reus of Rotterdam 2025

Observer: Peter Van Damme

Date: March 29th 2025

Place: Pijnacker, Netherlands

Website or other source(s) of information: All information on the website of <https://enmv.nl/> : registration, program, list of participants,...

Participants: 72 competition players: netherlands 62, Belgium 10, France 1 and Germany 1

Playing schedule: 1 days, 4 rounds 100 minutes

Location: The "het denksporhuis" room is large enough to host 104 players and leave enough space between them.

Equipment: We played with common games of de Dutch Mahjongbond and tables that were large enough.

Refereeing: There were 2 playing referees

Complaints: None.

Information / communication during the tournament:

Visible clock projected from a computer on a screen. No ranking up to date between each session. Because of the big amount of cancellations(13) and it being a qualification tournament for the Dutch players the organisation chose to not give up a table and let the floormanager play. Because of this there was not enough time to put the scores on the screen in between games.

Sessions: Excellent playing atmosphere, FFF (Fair-play, Friendly and Fun).

Catering: Cakes at the break. Lunch in the same place (sandwiches), drinks and others.

Prizes: Trophies for individual ranking (1st, 2nd and 3rd), and one more for the largest hand.

Conclusion: Very nice tournament in Rotterdam.
